Five Star Professional partnered with 5280 magazine to identify up-and-coming real estate agents who provide exceptional service in the Denver area. Five Star's research team contacted hundreds of consumers and recognized outstanding real estate professionals with this year's award.

Recent homebuyers and local consumers submitted evaluations by phone, mail and online. Respondents rated their service professional on criteria like overall satisfaction and whether they would recommend the provider to a friend. In addition to consumer feedback, industry professionals nominated up-and-coming agents who embody professional excellence, exhibit superior customer service skills and show great potential. This year's list of Rising Star agents appears below, with expanded profiles following. Professionals who satisfied the following objective criteria were named a 2017 Denver Rising Star Real Estate Agent.
